Miami, Florida 33054

Center of Excellence

As in the time of our ancestors, every celebration properly begins with a remembrance of those who have gone on before us. We recall our founders and predecessors, their contributions, their experiences and their example, for these provide us with the gifts, lessons and challenges that are a source of inspiration for the present and guidance for the future.

A BRIEF HISTORY OF FLORIDA MEMORIAL COLLEGE

In 1941, the Bethel Institutional Baptist Church merged with the Florida Baptist Institute of Live Oak, Florida, which has been founded by the American Baptist Home Mission Society in 1879.

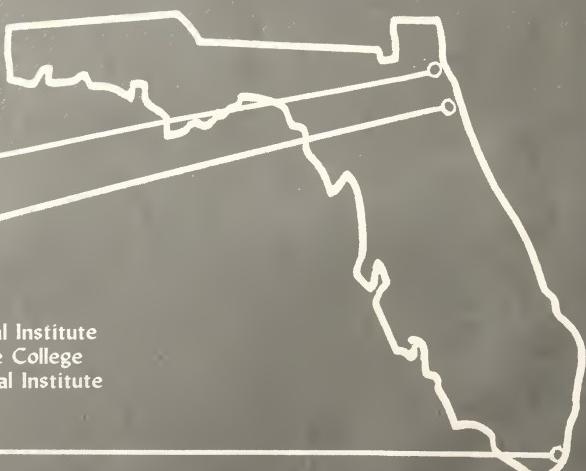

In 1893, in the Bethel Institutional Baptist Church in Jacksonville, Florida, the predecessor of Florida Memorial College was founded by a few farsighted and public-spirited Christian leaders whose purpose was to provide educational and voca-

tional training for the young people of Florida in a climate conducive to the development of Christian character.

The College has worked with great dedication since its founding to provide a Christian education for its students. It has grown from a meager church room to a plant valued at more than one million dollars, a testimony to the confidence in the College, shared by those dedicated to Florida Memorial College.

From the outset, the institutions that were to become what we know today as Florida Memorial College have been blessed with outstanding and highly qualified leaders, each of whom took the reins when called upon to do so by historical necessity. Each of these individuals has left his mark on the College. Each of them, whether their term was brief or extensive, contributed significantly and ensured the continuance of the Founders' original mission. Each stands as a symbol of his time and of the collective success of the entire College Family.

IMPORTANT DATES IN THE HISTORY OF FLORIDA MEMORIAL COLLEGE

- 1879 — Florida Baptist Institute founded at Live Oak, Florida; Rev. Dr. J.L.A. Fish named President.
- 1892 — Florida Baptist Academy founded in Bethel Institute Baptist Church, Jacksonville, Florida; Rev. Matthew W. Gilbert, Rev. J.T. Brown and Miss Sarah A. Blocker honored as co-founders. Rev. Dr. Matthew W. Gilbert named first President.
- 1900 — Mr. J. Rosamond Johnson and his brother, James Weldon Johnson, composed and wrote the words for the Negro National Anthem. Anthem first sung by students of the Academy.
- 1901 — President Theodore Roosevelt visited Florida Baptist Academy.
- 1918 — Institution moved to St. Augustine on a large (110 acre) tract of land two miles west of the "Ancient City," known as "Old Homes Plantation," once the largest slave plantation in Florida. Renamed Florida Normal and Industrial Institute.
- 1924 — Anderson Hall, first permanent building on campus, erected.
- 1927 — Rev. R.H. Holley succeeds Professor F.G.R. Everett as President of Florida Baptist Institute.
- 1941 — Merger of Florida Baptist Institute with Florida Normal and Industrial Institute.
- 1945 — First "four year" class graduated.
- 1950 — Dr. Royal W. Puryear named President
- 1956 — Greatly increased support from the Florida Baptist Convention, donation of \$30,000.
- 1960 — History of the College written by Dr. William C. Lee, a faculty member.
- 1963 — Dedication of new Science facility.
- 1968 — College relocated to Miami site.
- 1972 — First full graduating class at the Miami site.
- 1977 — July — Dr. Willie C. Robinson named President.

MILESTONES: 1879-1977

Left: Bob Cole, James and Rosamond Johnson. The Johnson family's roots are closely interwoven into the fabric of Florida Memorial College. James Weldon Johnson, world-renowned lyricist, poet, author, diplomat, lawyer, civil rights activist and professor, was a frequent visitor to Florida Baptist Academy in Jacksonville. His brother, J. Rosamond Johnson, was a professor at the Academy when he composed the music for "Lift Ev'ry Voice And Sing". Furthermore, their father, the Rev. James Johnson, was one of the original incorporators of the school and served as chairman of the Board of Directors.

1977 10 1987
YEARS

Special Edition

The 1987 Edition of THE ARCH is a very Special one indeed. The graduates who proudly go forth this year leave behind a Campus that is visibly different from the one to which they came as freshmen. There are not only new buildings and beautification to greet the eye, but also a new spirit and sense of purpose which fills the heart.

This year's graduates embody this new spirit and carry with them the dreams of the entire College Family — underclassmen, alumni, parents, faculty, staff and administration — as well as their own.

As we pause and reflect upon the past year we realize that these positive changes are the culmination of the last ten years in particular, which represents perhaps the most dynamic period in the College's 108-year history. In this Special Edition of THE ARCH therefore, we celebrate these Ten Years Of Progress, proud in the knowledge that this is only the beginning of greater things yet to come.

1977

Florida Memorial Gets New President

By DOROTHY GAITER
Herald Staff Writer

Dr. Willie C. Robinson, current special assistant to the president of Yale University, was named the eighth president of Florida Memorial College Monday.

He will assume his duties as head of the nearly all-black North Dade school July 1, as Paul Moore, acting president for the past several months returns to his old post at the American Baptist Church headquarters in Valley Forge, Pa.

The 43-year-old North Carolina native said his "first challenge" will be to "drastically increase the enrollment of the school."

The current enrollment is 493

and by September's registration, Robinson said he hopes that figure will be 1,000 although he has been cautioned to set his sights at 800.

"We're going to have to get money, spend money and we're going to need more staff. We'll be getting people with know how."

"WE WANT Florida Memorial to stand as a symbol in the Miami area of a place of excellence for one to want to go to get an education. We'll be saying to the students to spread the word that there's something exciting going on here," Robinson said.

He takes over the administration

Upward Bound Gears-up at Florida Memorial

Fourteen students from controversial Florida Memorial were selected from numerous candidates invited to 1980. No other college in the state has received such a large number of applicants.

Willie Robinson went North seeking his future, and found it. Now he comes South again.

North was Yale University.

South is Florida Memorial College (FMC).

Dr. Willie C. Robinson, 43, formerly a student assistant to the president of Yale, hopes to shape the college into a prestigious black institution.

CELEBRATING

1980

In October of 1980 Mrs. Coretta Scott King graced the Campus with charm, intellect and valuable insights into her work of carrying on the legacy of the late Dr. M.L. King. She was presented with an official mascot T-shirt by SGA President Wendell Carter.

Also in 1980 the Center for Community Change, the Honors Program and the Evening/Weekend Division were established.

1981

OPENING OF THE NEW STUDENT DINING HALL

The new Student Dining Hall represented a giant step forward for the Campus, adding a striking new landmark. A sign of things to come, a joint FMC/UNCF capital improvement and development campaign was also launched this same year.

TEN YEARS OF PROGRESS

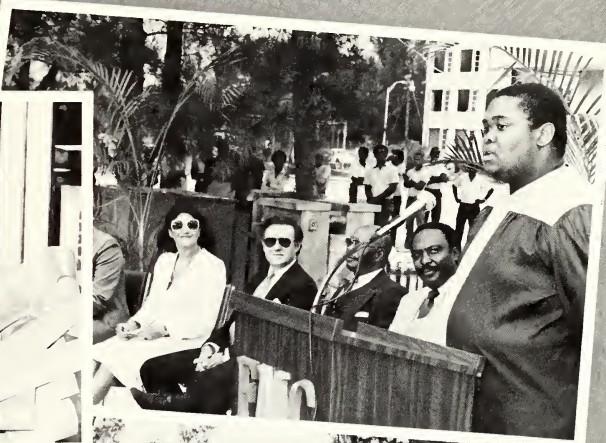

1981

Continuing the tradition of distinguished visitors, two prominent political leaders, Congressman Walter Fauntroy (left) of Washington, D.C. and Dr. Richard Arrington, Mayor of Birmingham, Alabama (right), addressed the College Family with thought-provoking presentations.

In recognition of another clear social and political need in our community the College also established the Haitian Adult Education Program through a Phelps-Stokes Fund grant, foreshadowing the Campus's increasingly international character.

1982

DEDICATION OF R. RAY GOODE RESIDENCE HALL

As grants and donations continue to support special programs and the Capital Improvement Campaign, Goode Hall opens, providing much-needed additional housing for an ever-growing number of students.

Music was in the air. Two record albums were recorded live on Campus: by the Shirley Horn Trio in concert and by FMC's own highly acclaimed Ambassador Chorale under the direction of Mr. Roosevelt Williams. The first Honors Banquet featured Marilyn McCoo, shown signing autographs, and Billy Davis, Jr., both formerly of *The Fifth Dimension*.

While the Music played, FMC also launched its Airway Science Program and raised \$162,000 for Library Holdings. The College was featured in the August 8, 1986 issue of *The Chronicle Of Higher Education*.

Rev. George Weaver unveils portrait of Mrs. Susie C. Holley

Among the Board of Trustees Members attending the Dedication was former Wimbledon Tennis Champion Arthur Ashe. 1983 also saw a 90% increase in student enrollment and the establishment of the Visual Arts program, which included a special Haitian Arts Center.

Florida Memorial Rebounds from Hard Times

THE CHRONICLE OF HIGHER EDUCATION II
Reaching out to Miami's Cubans and Haitians, it has doubled enrollment in past year; big problem now is finding space

The year of Park Lane's
rebirth, Florida Memorial
was one positive note. It
had been a victim of
the city's budgetary cutbacks
on the previous year.

But the school's
black majority, the largest
of the Florida Memorial
student body, has been
rescued from its bleak
prospective by the
rebuilding of Park Lane.

Florida Memorial has been
reborn, and its enrollment has
surpassed 1,000 students.

The college has
sixty percent black
and twenty percent
white students.

Other enrollment
is from Cuban and
Haitian immigrants.

Florida Memorial, regaining
its original name and
mission, is one of
only four in the country
to offer a degree in
airway science. Administration
of the college's airway
science program is the
key to its rebound.

TEN YEARS OF PROGRESS

Education / Jon Shaffer

MAN & MISSION

Florida Memorial College: Dr. Willie Robinson's
Miracle on 42nd Avenue

In April 8, 1977, Dr. Willie Robinson was working in a comfortable office next to that of the president of Yale University in New Haven, Connecticut. Dr. Robinson had a BA from North Carolina A & T, a PhD from Columbia and 12 distinguished years as a special assistant to the president of one of the most prestigious institutions of higher learning. He had every thing going for him including a fine home, model family, security and resources.

THE REV. JESSE JACKSON
enlivened the Campus with
a scintillating delivery at
the Holley Religious
Center in September, 1985.

FMC's progress was featured
in the April, 1985 issue of
Miami/South Florida
Magazine.

1985

In 1985, the Center of Excellence was established with a \$300,000 grant by the McKnight Programs in Higher Education in Florida to increase higher education opportunities for African-Americans.

In addition to Rev. Jackson's appearance, the year was highlighted by the opening of Robinson Hill, a two-story dormitory complex which provided much-needed housing on Campus, in light of the increase in student enrollment. The Dedication Ceremony in November was attended by a host of dignitaries, friends and students.

At right, Miss FMC Sherry Jones is flanked by student hosts and hostesses for the occasion.

1977 10 YEARS 1987

CELEBRATING

1986

was a year which saw FMC broaden its base considerably; The College received a \$100,000 grant from HUD for participation in a Community Development Project; the Center for Community Change was awarded a \$136,314 professional service contract for a Police/Community Relations Training Program and FMC was first among Black Colleges to receive a State Department grant of \$550,000 for the Educational initiative for South African Teachers. 1986 also saw the groundbreaking ceremonies for both the J.C. Sams Student Activity Center and the William Lehman Aviation Center.

CELEBRITIES ON CAMPUS

Wright, Vice President of Academic Affairs; with honored guest Mrs. Hazel Gray, widow of former FMC President Dr. William H. Gray, Jr. Their son, William III, now serves in the U.S. Congress.

The late Rev. Dr. James C. Sams (above), for whom the Student Activity Center is named, was president of the Progressive M & E Convention of Florida and of the National Baptist Convention of America. He also served as pastor of the Second Baptist Church of Jacksonville, FL.

Rev. Sams graduated from Florida Memorial College in 1937. For many years he served as vice-chairman of the Board of Trustees, becoming its first Chairman Emeritus upon his retirement. He continued to render dedicated and faithful service to the College.

Memorial is high on aviation

1986, it was one of only four in the nation to offer courses in all five areas of study recognized by the Federal Aviation Administration. This year, the college is asking for money — an additional \$2 million request for which Wright will be lobbying in Congress. The college would like funding for what Wright calls a "state-of-the-art" training center to be built on the edge of campus, facing the Opa-locka Airport, where the building should be finished in about a year.

Rep. Bill Lehman, D-Dade, who has been a champion of the aviation program at the college since he first got involved in 1978, said:

"I think it's a responsibility of mine to bring as much high-tech education to our community as possible. I am very pleased to see that the college is moving forward in this way."

"I am very pleased to see that the college is moving forward in this way," said Wright. "I think it's a responsibility of mine to bring as much high-tech education to our community as possible. I am very pleased to see that the college is moving forward in this way."

Wright said the program, which now enrolls about 100 students, is primarily designed to train aviators for the commercial government in five areas: management, computer science, systems management, electronics and maintenance. Graduates will probably work in the military or for private airlines, he said.

While construction hangs along on the airport side of the new aviation center, changes on the Florida Memorial campus that have been long awaited are finally taking place.

Plans for a \$1.5-million student activities center that will include a dining hall, lounge, and offices for student organizations and student service administration.

Rep. William Lehman helped get aviation program funding.

The Airway Science Division offers FAA recognized programs leading to degrees in Airway Science Management and Airway Computer Science as well as other programs in Air Traffic Control and Transportation Management. It hopes to add in the near future a program in Aviation Maintenance Management. Construction has just started on a new \$4 million William Lehman Aviation Center funded by the FAA and located across from the recently completed J.C. Sams Activities Center. To be completed in the summer of 1988, this three story, 4,500 sq. ft. structure will house classrooms, labs and offices in addition to a large auditorium.

DEDICATION

Just as no great failing in human experience can be blamed on one individual alone, no great achievement can be said to be the work of any one person.

Yet, there are those individuals who, through Divine Providence, innate gifts, life experience, historical circumstance and dedicated determination to succeed in what they do, take on a special importance in human affairs. Theirs is the power to galvanize those around them in the pursuit of true greatness.

It is they who impart the extra strength and exhortation to those who have given up not to drop the heavy burden with which they have been entrusted.

It is they who plant and nurture seeds in soil where others say there can be no hope of growth.

It is they who dare to dream when others dare not abandon the withered visions of yesterday.

And with success, and the patting of backs and the exchange of glorious words, it is they who remind others that we have only just begun.

It is to such an individual, whose vision, foresight, practicality and inspiring presence to the College Family have wrought giant steps in progress at Florida Memorial College that we officially dedicate THE ARCH for 1987.

Dedication

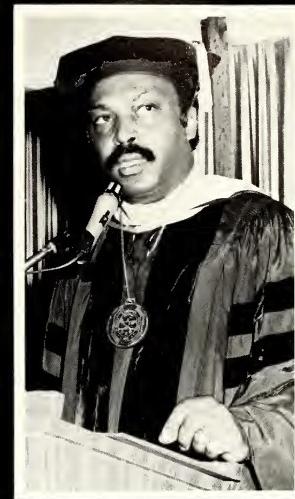

TO DR. WILLIE C. ROBINSON

The 1987 Special Edition ARCH is proudly dedicated to our President, Dr. Willie C. Robinson, on the occasion of the tenth anniversary of his tenure in that position. Indeed, he stands as the visible symbol of the changes and growth of the past ten years.

At a time when Florida Memorial College, like so many historically Black institutions of higher learning, was traversing rough seas in stormy weather with a most uncertain future, Dr. Robinson came aboard, and in the quiet and businesslike manner that has become his hallmark, placed a calm and steady hand on the helm, reassured his crew, of the importance of their mission and set the course for success.

Under his guidance, Florida Memorial College has moved steadily out of the doldrums and into the brightness of a new day, which is only just beginning.

In honoring Dr. Robinson we also honor all those who have helped; even he could not have wrought the necessary and creative changes that have brought us to where we are today. To Dr. and Mrs. Robinson, and to the entire College Family, go the sincerest wishes for continued good health, happiness and future success.

Above. Dr. and Mrs. Robinson, flanked by their sons, William and Kevin.

Right: Dr. Robinson during a pause in construction work on a hospital in Haiti.

Dr. Willie C. Robinson has been president of Florida Memorial College since 1977, when he left Yale University where he had served as special assistant to the president.

A native of Dunn, North Carolina, he graduated from North Carolina A & T, earned his master's degree from the University of Bridgeport and his doctorate from Teachers College, Columbia University.

A widely traveled author and civic activist who has visited such locales as Jerusalem, Taiwan, Africa, Haiti and Puerto Rico, Dr. Robinson was appointed by the Governor of Florida as a member of the Florida Elections Commission and serves

on the boards of Eastern Airlines, Southeast Banking Holding Company, Southeast Bank and Sharon Steel Corporation. He is an associate member of the Orange Bowl Committee and is a Trustee of the University of Miami.

He has been honored with numerous awards, commendations and proclamations, including an honorary doctorate in Humane Letters from the University of Bridgeport.

He is married to the former Ojetta Dowdy, a public health administrator, and is the proud father of three sons: William, Kevin and Lewis.

"... We don't want to do a lot of things. But what we do, we want to do well and be proud of it . . . "

A MESSAGE

From
Dr. Willie C. Robinson
President

It is a privilege for me to share some personal thoughts within the pages of this historic publication. The College has so much to be thankful for — wonderful progress accomplished during this academic year. These important developments make real our conviction that "He also provides for those He guides."

At the outset, let me express my joy with the quality of our student body, the majority of whom are seriously pursuing their academic interests. After all, the students are our raison d'être.

To our graduating class, I suspect that many of you are feeling much pride on having met the very high standard of academic accomplishment that the college demands; and a certain amount of relief in the resolution of uncertainty that high standards imply. You have passed a hard test and are now prepared to embark on a more interesting path. We are proud of you and do here extend congratulations. Remember to be loyal to Florida Memorial College, this great Nation and other countries that are committed to freedom.

Now, let me return to the College and its progress during the year. The recognition of the College by local and national media has been gratifying, all of which has enhanced our image.

Examples of new developments captured by the news media are: The College was designated as lead institution of a Consortium of Black Colleges and Universities, receiving a grant from the U.S. Agency for International Development in the amount of \$550,000. The purpose of this grant is to plan initiatives with the teaching profession in South Africa to strengthen educational opportunities for South African Blacks.

The institution has completed major constructional projects in the form of a Student Activity Center, and the William Lehman Aviation Center.

The Student Activity Center bears the name of one of our most distinguished graduates, Rev. Dr. James C. Sams. The late Rev. Dr. Sams was recognized as a thoughtful leader, whose clarity of vision and strength of faith inspired thousands of followers for more than four decades. The cost of this facility was approximately \$800,000, made possible by the generosity of our special constituency and the Corporate community.

The College received grants amounting to 5.8 million dollars by an act of Congress, signed into law by President Reagan, to construct a new aviation facility. This center was named in honor of William Lehman, a distinguished member of the U.S. House of Representatives, who has had a long, active interest in the work of the College.

Florida Memorial College is proud of its faculty and students. Needless to say, at the heart of any educational institution is its faculty. We are justly proud of the professionals we attract and maintain, with the credentials and experience to teach a first-rate academic program. We are happy to state that over seventy percent of our faculty have terminal degrees in their areas of expertise.

Finally, a word of thanks to the Board of Trustees, collectively. Their keen insights, support and commitment to excellence evidenced itself throughout the year.

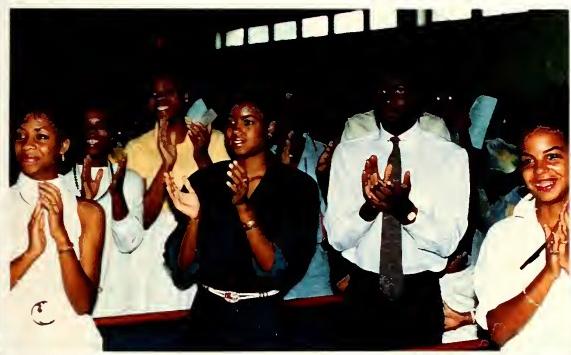

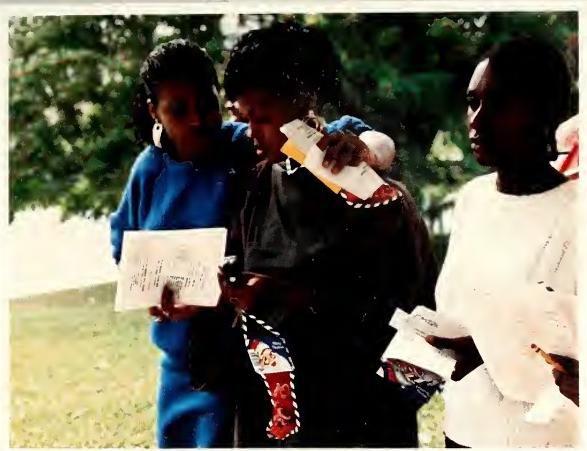

W.C. Robinson

Florida Memorial College provides the Leadership to build Character amongst young men and women who walk through the portals of knowledge, which equip them to offer quality Service to their community and the world.

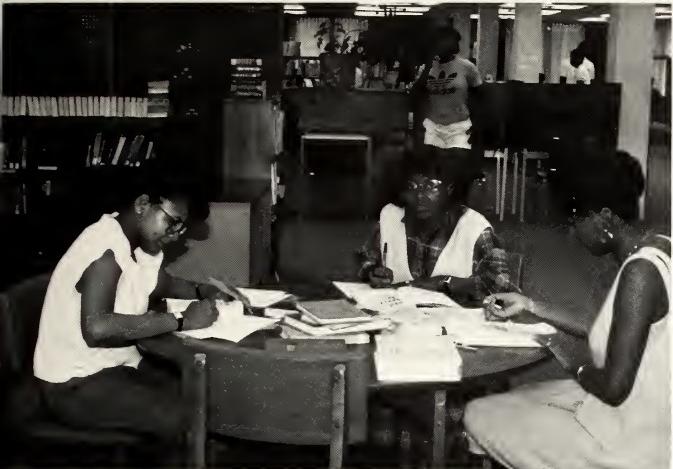

CHARACTER

SERVICE

SENIOR CLASS PRESIDENT 1986-1987

William C. McCormick, Jr.
Pelham, Georgia

Dr. Robinson, Cabinet Members, Judge Ferguson; Chairman of the Board, Trustees, Speaker Congressman Dymally, Faculty and Staff, Alumni President, Other Alumni, Parents, Family and Friends, Honored Graduates, and my fellow Colleagues.

This class accepts the challenges you have presented. We realize that high moral character, commitment to community services, and strong moral beliefs are values that are essential to our success.

Our college experience has enabled us to meet this challenge which has been placed before us.

We have studied together, prayed together, talked together, walked hand-in-hand, and handled our problems together. We stand ready to accept our expected role as leaders in our communities. We are very fortunate to have had college family role models who promoted this rare quality of leadership.

History reveals that the greatness of a society is measured by the quality of its leadership.

Here at Florida Memorial College, we combine the heritage and traditions of academic excellence and religious principles as we strive to reach the limits of our intellectual capacity. We the graduating Class of 1987, pass this legacy and the baton of scholastic achievement to the underclassmen. We thank you for this opportunity and pledge to support the principles of the Alumni Association.

William C. McCormick, Jr.
Class President, 1987

STUDENT GOVERNMENT ASSOCIATION PRESIDENT 1986-1987

**Dwanyetta A. Vine
New Orleans, Louisiana**

"As this academic year comes to a close, I'd like to thank the Florida Memorial College family for their support of the Student Government Association. This has truly been a successful and innovative year. Very special thanks goes to the S.G.A. members for their commitment to our cause and academic excellence. A note of thanks to all of the campus organizations who make up the S.G.A. Senate, for providing social, cultural and educational activities.

I salute the graduating Class of 1987. They are tomorrow's physicians, businessmen and women, educators, engineers, lawyers and politicians. As a member of the Class of 87 and as S.G.A. President, I charge you, students, to keep the F.M.C. Spirit alive . . . alive with the thirst for knowledge and the hunger for excellence and greater service.

**Dwan A. Vine
S.G.A. President
1986-1987**

"... To form good citizens we must educate our children. From the national institutions will proceed race of men capable of defending by their knowledge and talents those rights so long denied by tyrants. It is from these sources that light will be diffused among the whole mass of the population, teaching them how to appreciate their duties and love their country. The moral virtues which distinguish man in civilized state will replace the ignorance and deprave manners which are the unhappy result of barbarity and slavery."

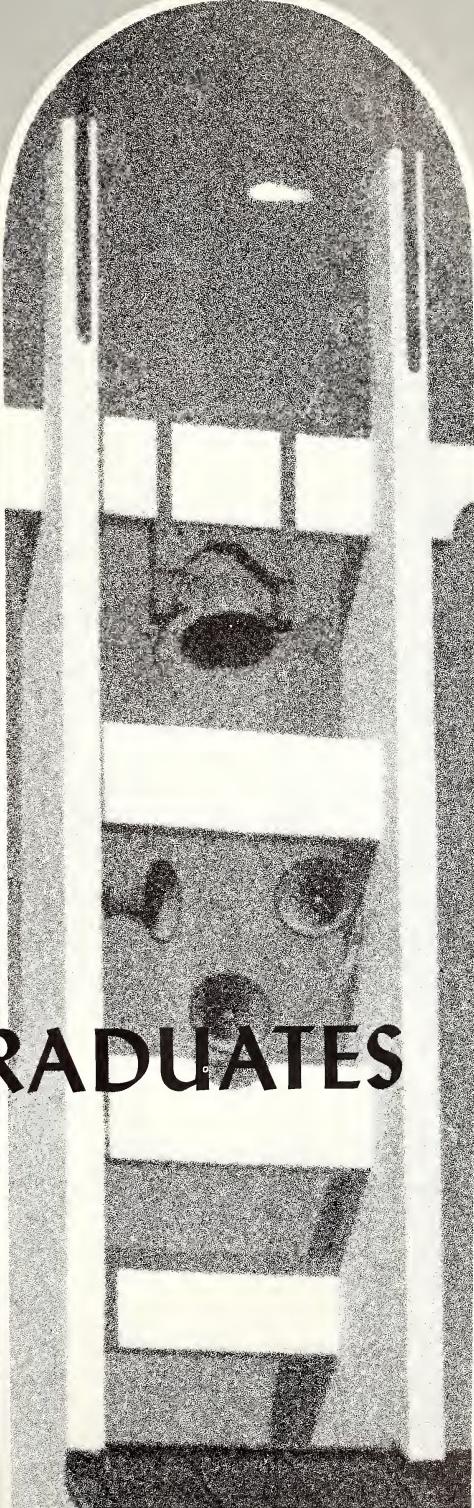

— Henri Christophe I, first king of Haiti, first independent Black nation in the western hemisphere, addressing his subjects, New Year's Day, 1817.

Alma Mater

As the breeze through tall palm trees
Seems to sing thy sacred name,
Thy sons and daughters love to spread
O'er all the land thy well-earned fame.

We love thy halls, thy stately wall,
And the friends who gave thee birth;
The truths we learned as each heart yearned
For higher, nobler things on earth.

Should future years bring joy or tears,
To thy name we'll e'er be true;
To thee we pledge our loyalty
And dedicate our lives to you.

REFRAIN:

Florida Memorial, Florida Memorial
How we love to sing thy praise.
We'll be loyal, ever loyal,
And for thee, our voices raise.

— Marie Evangeline Ferguson

ALPHA WEEK

ALPHA PHI ALPHA and ALPHA KAPPA ALPHA joined together to bring to the FMC Campus a number of activities pertaining to the social, intellectual and spiritual awareness of the Student Body. The following activities were held:

- Worship Service
- Blood Drive
- Fashion Show
- Step Show/Toga Party
- Intellectual Night,
Guest Speaker: Ms. Patricia Russell-McCloud, Esq.
- Alpha Ball
- Video Night

ALPHA KAPPA ALPHA SORORITY

PATRICIA RUSSELL-MCLOUD (top left) is the former National Parliamentarian for the Alpha Kappa Alpha Sorority, Inc., and the recipient of more than 25 keys to cities throughout the United States. She is a member of numerous professional and civic organizations, including the National Bar Association, Life Member of the National Association for the Advancement of Colored People, National Urban League, Alpha Kappa Alpha Sorority, The Links, Inc. and the African Methodist Episcopal Church.

She brilliantly challenges her audiences — motivating each member to act rather than react, to respond through reason, not rhetoric; to dare to be different and to make a difference.

Occupying the dais with Ms. McCloud are (left to right): Fredricka Wilson, South Atlanta Regional Director, Delores Washington, Gamma Zeta Omega, Dawn Millings, Myra Burney, Shauntell Douglas.

(L to R) Back Row Daphne Williams, Michelle Pinkston, Gail Pryor, Stephanie Bloodsaw, Visna Armbrister, Toni Wilson

(L to R) Front Row Regina Wallace, Myra Burney, Cynthia Patterson, Carol Gibson, Ginger Darden, Katherine Richardson, Rae Smith, Karen Crosdale

OMEGA PSI PHI FRATERNITY

'Friendship is Essential to the Soul'

(L to R) Frank Gibson, Stedmann Hodge, Charles Mc Knight, Leslie Gumbs, Dexter Foster

Kappa Gamma Chapter was founded in March of 1954 at Florida Normal and Industrial College in St. Augustine, Florida before it moved to Miami in 1968/69, now Florida Memorial College.

DELTA SIGMA THETA SORORITY

Delta Sigma Theta Sorority Inc. was founded in 1913 at Howard University and its 100,000 members represent the largest membership of all the Black Greek letter organizations. It is a service-oriented sorority with programs directed at development in the areas of education, mental health, housing and economics. Additionally, the sorority provides scholarships and endowments for professorships at several Black colleges and universities.

SIGMA GAMMA RHO SORORITY

MOTTO: GREATER SERVICE, GREATER PROGRESS

Sigma Gamma Rho Sorority, Inc. was founded in 1922 at Butler University in Indianapolis and has a total membership of 38,000. Committed to community service, the Sorority operates in the Vocational Guidance Workshop Center in New York City which focuses on job training. In addition to providing scholarships for students, Sigma Gamma Rho Sorority is putting together an educational project called "Legacy Unfolded", which is a two-part documentary film on historically Black colleges and universities. The group contributes to the NAACP, SCLC and the United Negro College Fund.

PHI BETA SIGMA FRATERNITY

OUR PRIDE IS SHOWING

The Beta Pi chapter of Phi Beta Sigma Fraternity inc. was chartered in 1947 by Bro. Dr. Von D. Mizzell at Florida Memorial College. Beta Pi chapter which is based in Miami, Florida was the first fraternity on the Florida Memorial College campus, and for 40 years have maintained the high ideals, goals, and excellence for which this noble fraternity was founded.

"Our cause speeds nobly on its way" and it will never perish. The brothers of Beta Pi feel that a Sigma Man should be a shining example of leadership throughout the community and set the pace for all to follow on the college campus.

Zeta/Sigma relations are also a major concern of the brother of Beta Pi chapter. Iota Alpha chapter of Zeta Phi Beta and Beta Pi chapter of Phi Beta Sigma had jointly sponsored a Zeta/Sigma week in

the spring semester of 1987. During this week we had many social service, and educational events for the benefit of our campus and the Miami community. We have also officially designated a street on the Florida Memorial College campus to be named 'BLUE AND WHITE BOULEVARD'. The two chapters have a very good harmonic working relationship and our love for one another is undeniably strong.

Being the only true brother and sister greek organization it is inevitable that we express our unity the family way (BROTHERS AND SISTERS OF THE DOVE).

THE PLAYERS GUILD

"The Whole World is a Stage, We all must Play a part"

A creative and dramatic organization designed to establish campus and community productions. The school year 1986-87 proved to be very challenging and stimulating for this group of actors, writers, singers and dancers, for they performed the play God Trombones, Happy Ending, Soul Gone Home as well as a spirited number of poems, monologues and other dramatic excerpts for Black History Month for the campus and the community.

Mr. Roosevelt Williams

The Florida Memorial College Ambassador Chorale, was organized 12 years ago, under the direction of Prof. Roosevelt Williams. The Chorale is made up of forty singers chosen by audition. It is composed of dedicated performers with a desire to sing and place great emphasis on spiritually and culturally enlightening others. During the past twelve years, the Chorale has travelled extensively throughout the United States and abroad. It has become known as the group with a repertoire to fit any occasion.

Some of the places visited by the FMC Ambassador Chorale:

Nassau, Bahamas
Philadelphia, Pennsylvania
Atlanta, Georgia
Florida:
Gainesville
Marianna
Tallahassee
Tampa
Orlando
Reddick
Melbourne
Jacksonville

Mr. Wayne Robinson,
Accompanist

THE GOSPEL CHOIR

The Gospel Choir of Florida Memorial College devotes itself to the service of the college family by continuing to inspire in song the message of the Almighty. They have received tremendous recognition in the local and state communities for their excellent performances and exhibitions of "The Lion's Pride".

THE PRE-ALUMNI COUNCIL

(L to R) Ian Darville, Tony Stevenson, "Roy", Collen Fitz-Charles, Stephanie Young, Tyrone Armstrong, Karry Dickerson.

The Pre-Alumni Council of Florida Memorial College, continued its enthusiastic endeavors through Academic Year '86-'87. They held several functions for the community and the college family, such as: Scrooge, Alumni Day, With Alumni speaker Purcell Dixon.

Members of the Council travelled to Atlanta to participate in the National Inter Alumni/Pre-Alumni Council Conference. Attending were Colleen Fitz-Charles of the Bahamas, president and national chaplain; Travis Tomenga of Orlando, Vice-president and escort for our Miss UNCF contestant Rae Smith of Ft. Lauderdale; Serge Jean of Miami, acting as business manager and Rufus Carroll of Birmingham.

Members not pictured: Rufus Carroll, Dana Seymour, Betsy Hilary, Dawn Chambers, Carlton Davis, Rae Smith, Serge Jean.

ALPHA ANGELS

The purpose of the Alpha Angels Sweetheart Club is to support the young men who have attained the standing of Alpha Phi Alpha Fraternal Brothers, Delta Psi Chapter, and to be of assistance to those who are aspiring to this standing.

To the Brothers of Alpha Phi Alpha Fraternity, Delta Psi Chapter, we the Alpha Angels would like to say we love you all and we wish you all the blessings of God.

(L. to R.) Bernadette Adams (Vice Pres.), Nathalie Allen, Arlesa Leverett, Lynda Shorter, Lisa Jefferson (Business Mgr.), Tywannia Moorer (Treasurer), Antoinette Portis *Not pictured:* Joanne Walker (President), Roxanne Murry (Secretary), Robin Cole, Terri Ball, Astrid Jones, Arnetta Pryor, Cynthia Patterson, Lashawn Arbuckle, Sherrie Clover, Ruth Ruiz, Connie Williams.

SIGMA STARS

The Sigma Stars are the Sweetheart Organization of the Phi Beta Sigma Fraternity, Inc. Beta Pi Chapter. We stand for pride and unity among young Black women of today. The Sweethearts of Beta Pi assist the Brothers in academic, social and spiritual activities — all for the benefit of the Black race. Spiritual and Academic Excellence is our first priority.

(L. to R.) Latrece Walden, Priscilla Chapple, Selena Teems, Reatha McCullough, Marlynn Edwards, Tricia Sykes
Not pictured: Pamela Hines, Adeleane Haymon, Anica Hillsman, Katrina Barnum

PHI-ETTES

The Phi-ettes are the Sweetheart Organization of Alpha Phi Omega and our purpose is to help our brothers provide service to the community and to various other organizations.

We help campaign during the local mayoral elections. We do service projects throughout the Campus such as cleaning chalkboards and beautifying the Campus. During the home games of the Miami Dolphins we volunteer services in the concession stands.

THE CORONATION OF MISS FMC 1986-87

The Coronation of Miss Wilma Perrilliat as the new Miss Florida Memorial College was held in the Gymnasium — redecorated as if by magic for the occasion. Dr. Willie C. Robinson, college President, and former Miss FMC Sherry Jones conferred the title on Miss Perrilliat in a splendid ceremony in which the new Queen was surrounded by her court. She was then whisked by helicopter to the Coronation Ball.

ALUMNI CELEBRATE HOMECOMING '87 WITH THE WORLD FAMOUS CHI-LITES

The Chicago Chi-Lites entertain at the "Fountain of Excellence" awards presentation

Under the leadership of Sara Cason, chairperson (right), Florida Memorial witnessed the beginning of something great. Alumni from four areas of endeavor — business, education, public service and religion — were inducted into the "Fountain of Excellence" by President Willie C. Robinson. Their names will be placed in the newly dedicated James C. Sams Student Activity Center. Inductions will be held annually.

MEN'S BASKETBALL

The Lions Varsity Basketball Team: Standing (l. to r.) Richard Anderson, Dirk Tynes, Darrell Brown, Mark Thomas, Craig Nicholas, James Juluke, Freddy Battle, Michael Condon, William Hagan, Frank Cutler, Coach Alfred Parker; Front row: Vince Ashley, Karlton Johnson, Horace Kearse.

Our 1986-87 basketball season ended with an 8-15 record. This year was considered in large part as a rebuilding process. During this period, we improved basic skills, gained confidence, improved offensive and defensive schemes and patterns. We are confident that the learning process has been effective, for the season 1987-88 will be our test year.

Our team lost the services of Richard Anderson, 21 points a game, William Hagan our outstanding captain and leader and James Juluke our strong big man, all to graduation..

Returning, we will have Vince Ashley, Frederick Battle, Barrell Brown, Karlton Johnson, Michael London and Craig Nicholas. With this personnel we have the combination to propel Florida Memorial College to its rightful place in South Florida, in District 25 and in the basketball world.

Coach Parker (r.) confers with Assistant Coach Rip O'Connor.

Richard Anderson rises to the occasion to sink two points.

Vince Ashley sets up the next play.

Darrell Brown darts past a hapless defender.

... AND NOW A WORD FROM OUR A.D.

Athletic Department

Florida Memorial College intercollegiate sports and recreational programs continue to be an integral part of the students' life experiences. Students are given an opportunity to participate on the Varsity or recreational levels in from eight to ten sports activities.

The Varsity teams continue the Florida Memorial College tradition of providing exciting competition along with the quality academic standards of student/athletes. The successes of the Men's and Women's Basketball teams in conjunction with the outstanding track and field teams highlighted this year's performances. The Women's Basketball team attained a play-off berth and advancing in the NAIA District finals, and the naming of the college's first All-American in the sport of Track and Field were specific high points.

The intramural/recreational programs are highly competitive and act as social events as well. Participation is enthusiastic and college-wide, reflecting the diverse backgrounds and interests of the student body.

We are looking forward to continuing the Florida Memorial College tradition and establishing new standards in our progressing athletic and recreational department.

The 1986-87 Teachers Of The Year

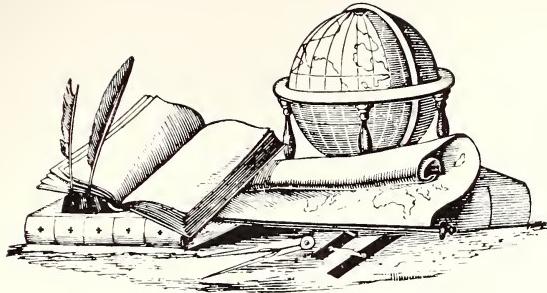

The winners share the moment as S.G.A. President Dwan Vine looks on.

The co-winners of the 1986-87 Teacher Of The Year award are Mrs. Dora W. Wright, Associate Professor of General Studies, and Dr. Earl H. Duval, Jr., Athletic Director and Assistant Professor of Education.

For Mrs. Wright this is a recognition of more than her extraordinary work this past year alone; her dedication, enthusiasm and many contributions to FMC over the years (including individually producing one volume of *The Arch*) are legend.

For Dr. Duval this award is equally remarkable because it comes to him, by contrast, after only his first year as a member of the College Family — a shining testimony to the mark his presence has made on Campus.

Congratulations to these exemplary educators and best wishes for many more years of continued success and inspiration!

THE FACULTY OF FLORIDA MEMORIAL COLLEGE

DIVISION OF AIRWAY AND COMPUTER SCIENCE

This newest Academic Division at FMC heralds a new era for the College, not only by providing facilities for twenty-first century education, but also by helping to realize the full potential of our fortuitous location adjacent to Opa-Locka Airport.

Going up! The William Lehman Aviation Science Building rises to the occasion for opening in 1988. The structure at the extreme right is the stairway leading to the Air Traffic Control Tower, which will provide students the opportunity to learn highly valuable skills with worldwide application.

CENTER FOR COMMUNITY CHANGE

Dr. Benjamin B. Cowins, Sr.,
Director

Ms. Selender Gamble
Administrative Assistant

A SUCCESSFUL TRACK RECORD

In September 1980 Florida Memorial College established the Center for Community Change. The Center is a social problem-solving Division established to support and develop programs designed to have positive impact on the quality of life in the South Florida Community. The Center has successfully planned, developed and implemented the following programs:

- **Miami Police Department: Police Community Human Relations Training Program.**

Through a contract with the Miami Police Department, the Center has conducted sixteen 40 hour State certified Police/Community Human Relations Workshops that included 304 Police Officers. The Center will train more than 1,100 police officers over a three year period.

- **Word Processing Specialist Training Program**

Word processing skills training is offered free of charge to low income residents, through funding by the South Florida Employment and Training Consortium, in order to place participants in entry level word processing positions. To date the program has trained and graduated two classes with a 70% employment rate.

- **Center of Excellence**

This program is funded by the McKnight Programs in Higher Education in Florida and helps Black youths to reach their full potential by providing innovative programs designed to raise their expectations and increase the number of Black youths who go to college.

- **Entrepreneurial Institute**

The Institute, funded by Metro-Dade County, has provided business and technical assistance to improve the short-and long-term prospects for Dade County's minority entrepreneurs. This program is in conjunction with five other institutions of higher education in Dale County.

- **Metro Dade Transit Agency Training Program**

This program trains Bus and Rail managerial staff for greater effectiveness in supervisory positions.

SOUTH AFRICAN PROJECT
The American Black College Consortium
Cooperating with
THE AFRICAN TEACHERS ASSOCIATION OF SOUTH AFRICA
 1580 N.W. 42nd Avenue
 Miami, Florida 33054
 (305) 625-4141

In February, 1986 a delegation of Black educational leaders, including twelve presidents and chancellors of historically Black Colleges and Universities (HBCU's), participated in an educational fact-finding mission to South Africa. They had opportunities to study and observe the fragmented educational systems in that country, thus obtaining a deeper understanding of the manner in which the Apartheid system denies basic individual rights to over 80% of the population.

The educators searched for ways to assist in alleviating some of the educational inequities for Blacks. This desire led to the formation of the American Black College Consortium consisting of the following institutions: Florida Memorial College, Miami, FL, Lead Institution Shaw University, Raleigh, NC Livingstone College, Salisbury NC Paul Quinn College, Waco, TX Winston-Salem State University, Winston-Salem, NC

"... The goals of education for Blacks (under the Apartheid system) can be summarized as seeking to train them for continued servitude to whites ..."

DONATION DAY

NOVEMBER 25, 1986

FLORIDA MEMORIAL COLLEGE

Annual Donation Day Celebration
1986

THEME:
"Through Faith and Determination,
Dreams Can Become a Reality."

November 25, 1986

Dr. Willa C. Roseman
President

Keynote Speaker: Rev. Dr. Henry Lyons, Pres. Florida General Baptist Convention

Donation Day, first known as "Love Gift Day," started when Mrs. Susie C. Holley, then wife of the president of Florida Memorial College, and a small group of women belonging to the First Bethlehem and First Central Associations, sensed a need to aid the College at Live Oak, Florida. The women of these two associations came up with the idea of soliciting specific small items that were necessary to the operation of the College - canned goods, mops, brooms, clothing and even fattened hogs, enabling the College to use the monies available for specific monetary needs. Goods were donated in such abundance that they were shared with needy families that lived in the area of the College. The tradition of Donation Day has continued for 31 years on each Tuesday before Thanksgiving. Donation Day is indeed a time of thanksgiving!

Daphne Hilton (above) and other student volunteers help guest to feel at home

THE ACADEMIC

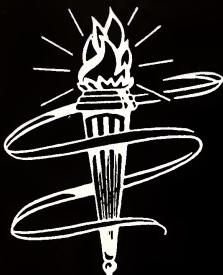

Ultimately, academic achievement is what an institution of higher learning is all about. For this reason the Annual S.G.A. Awards

Banquet is an extra special highlight of the year, being the occasion for recognizing excellence in academic performance, by both students and faculty. This year's presentation even included an award for "Valor in the Academic

Arena", presented to Professor Dora W. Wright and Patricia Carter by Humanities Division Chairperson Dr. Rosalyn M. Blal Jones (opposite page, top), as well as the Teacher Of The Year award (see page II2).

Jacqueline Swanson receives Consistently Superior Week in English award from Dr. Smoller.

Prof. Patricia Warren presents #1 plaque to Terrence Oliver.

Professors Ogletree (Social Sciences), Ligon (General Studies) and Hopper (Natural Sciences and Mathematics) display their plaques.

AWARDS 1986-87

SPECIAL ASSEMBLY PROGRAMS

FREDDICK BRATCHER DANCE COMPANY

Mr. Freddick Bratcher (above, center) brought his highly accomplished troupe of dancers to FMC for a magnificent performance, exploring the frontiers of artistic movement and showing why the Company's recognition is steadily growing.

**S
U
A
V
E**

The Latin jazz group *Suave*, true to its name, brought mellow sounds and original compositions to the Campus for a refreshing change of pace.

Senegal!

In March a special program featured the west African nation of Senegal, home to the foreparents of many of us and geographically the closest part of the African continent to us.

Mr. Robert Fessler, a former Peace Corps volunteer who has lived extensively in Senegal and currently teaches in the Dade County Public Schools, presented an informative slide lecture on urban and rural life in Senegal.

He was followed by internationally recognized Senegalese master musician and

composer Mor Thiam (pronounced sham) who combined lively entertainment with an educational introduction to African music.

The program was further highlighted by a rich display of original Senegalese art and crafts and the added fun of door prizes distributed by Prof. Patricia Carter to the audience, which included students from Jan Mann Opportunity School.

This Assembly is expected to be the first of a series featuring other nations and cultures.

Mr. Robert Fessler explains his slides of Senegal. He also displayed original artwork by Senegalese artist Ousmane Sou (foreground)

Mr. Thiam belts out a tune that has the audience singing along.

A group of fast learners recruited from the audience livens things up with traditional African instruments

... and the rhythm rocks the house.

Mr. Thiam and Prof. Gene Tinnie, who organized the program, display formal wear, Senegalese style.

THE HON. MARTIN LUTHER KING III

Recently elected
Congressman from the
State of Georgia

Marty King III, son of the late Dr. Martin Luther King, Jr., continues to 'be about his father's work' as he brought the message of commitment to non-violent social change and meaningful use of the political process to the Campus. His appearance, sponsored by the Student Government Association, was the highlight of Black Heritage Month.

SUSAN TAYLOR

Editor-in-Chief of
ESSENCE Magazine

Greeted by students Denise Moore and Rose Lawson

Speaking from the heart, Ms. Taylor addresses a class.

Top, Ms. Taylor chats with a fellow writer, Nigerian student Anthony Ikaiddi, winner of the Time Magazine Essay Contest. Above, she poses in front of a Special Exhibit in the Library.

Stylish, successful, dynamic, knowledgeable and articulate, Susan Taylor was every bit the role model as she mingled with the College Family during her visit to FMC.

CAREER DAYS

Career Days provide students an opportunity to meet with representatives of corporations, non-profit organizations, government agencies and graduate and law schools. Several students were actually hired subsequent to their interviews.

Co-Op students Anthony Lamar with Pan Am, (top right) and Keith White with IBM (above) provided vital assistance.

B.E.E.P. ASSEMBLY

ART EXHIBIT

'VOYEUR': A RETROSPECTIVE SHOWING OF WORKS BY SENIOR TERRANCE OLIVER LIGHTS UP THE FINE ARTS BUILDING

Below: The artist unveils an original collage at the Opening, flanked by (l. to r.) Prof. Alvin Pondexter, Chair of the Visual Arts Dept., Dr. Rosalyn M. Blake-Jones, Chair of the Humanities Division and Jacqueline Swanson who, along with Terrence, was named Collegiate Academic All-American (see page 138).

ased loosely upon the
folklore and legends of
Iaïti, "Voyeur" was a
mixed-media event,
combining the effects of
mirror, shadows, candles,
volumes and other objects
with poetry, works of art
and the action of human
bodies.

Students add their own artistic touches to the Exhibit as they sign the "Guest List" under the critical eye of Prof. Ponderexter.

Like any truly stimulating art exhibit, "Voyeur" got a variety of reactions!

PARTING SHOTS

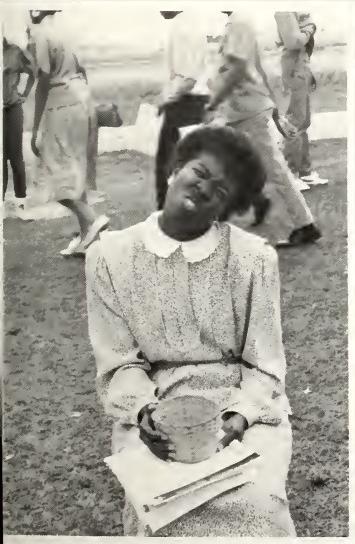

FLORIDA MEMORIAL COLLEGE NOW ENDS ITS BROADCAST DAY. OUR TRANSMITTER OF ACADEMIC AND SPIRITUAL EXCELLENCE LOCATED IN MIAMI, FLORIDA, WILL RESUME ITS MISSION WITH THE BEGINNING OF A NEW SCHOOL YEAR. UNTIL THEN, WE WISH EACH AND EVERY ONE OF YOU A GOOD EVENING, GODSPEED AND A FUTURE OF HEALTH HAPPINESS AND PROSPERITY.

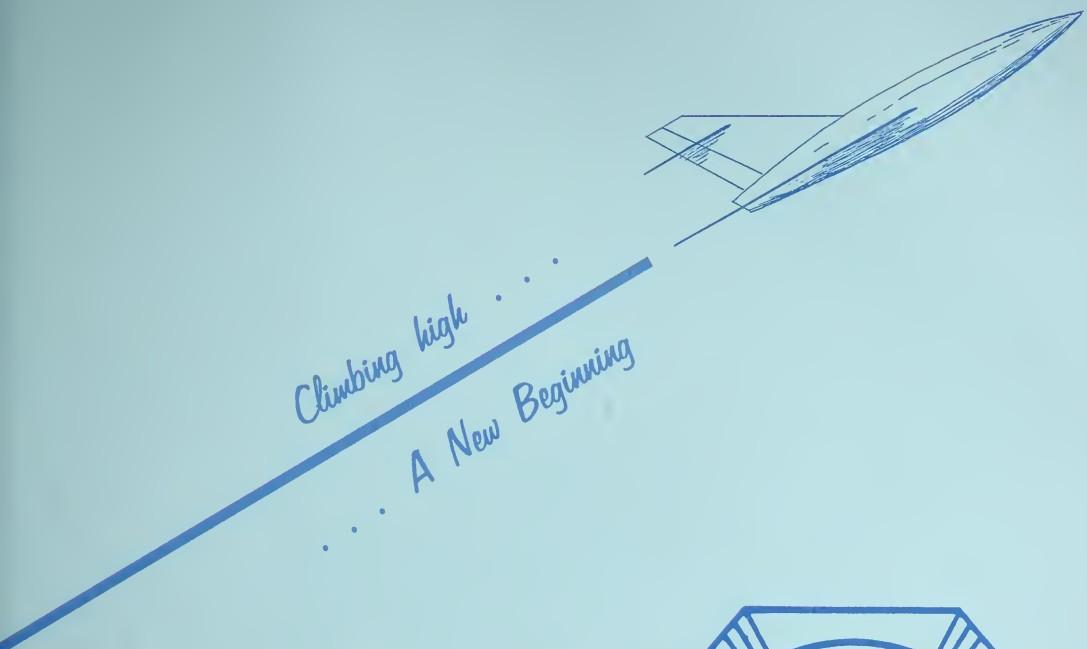

AND NOW OUR NATIONAL ANTHEM:

Lift Every Voice and Sing

*Lift every voice and sing
'Til earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on 'til victory is won.*

*God of our weary years,
God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might,
Let us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee
Lest our hearts, drunk with the wine of the world, we forget Thee
Shadowed beneath Thy hand, May we forever stand,
True to our God, True to our Native land.*

DEDICATION

IN MEMORIAM

During 1987-88 the Florida Memorial College Family mourned the loss of three members: one of our Faculty, one of our Staff and one of our Students.

It is to their lasting memory, their accomplishments and the promise they represented that the 1988 Edition of THE ARCH is sincerely dedicated.

DEDIC

MR. ROOSEVELT WILLIAMS ASSOCIATE PROFESSOR OF MUSIC

Mr. Roosevelt Williams, a native of Tallahassee who grew up in St. Petersburg, was a graduate of Bethune-Cookman College and also earned a master's degree in music from the University of South Florida while teaching music in the Brevard County Schools. In addition, he studied opera, voice and conducting at Florida A & M University. In 1975, Mr. Williams joined the faculty at Florida Memorial College, where he became associate professor of music and chairman of the Music Department, teaching voice, theory, composition and the entire spectrum of course work that leads to the bachelor's degree in the subject.

In 1976 he organized the aptly named Ambassador Chorale which has brilliantly represented the College in hundreds of locations throughout the United States and abroad, winning wide acclaim for him as a superlative choir director. The Chorale's audience was expanded even further under his direction, with the recording of the "Howard Thurman Memorial Album" (see *The Arch*, 1987, page 12).

In 1986 Mr. Williams was nominated and voted Teacher of the Year by the FMC student body and in 1987 he was honored in a nationwide salute to faculty by the American Association for Higher Education and the Carnegie Foundation for the Advancement of Teaching and Change for extraordinary contributions to undergraduate educational leadership on campus and beyond.

On November 20, 1987, at the age of 53, Mr. Williams passed away at Parkway Regional Medical Center in Miami, ending his battle with cancer.

The outstanding talent, warmth, leadership and commitment to excellence which he brought to Florida Memorial will be sorely missed.

BY THEIR EXAMPLE WE ARE ENLIGHTENED

ATION

MR. JOHNNY LOUIS JACKSON CHIEF OF SECURITY

Born in Baxley, Georgia, Mr. Johnny Jackson pursued higher education at Florida Junior College, Jacksonville and at St. Augustine Institute. As a sergeant in the U.S. Marine Corps, he served six years of active duty during the Viet Nam era, earning an honorable discharge in 1974. He also served as a deputy sheriff in Green Cove Springs, FL and with the campus police at University of Florida, Jacksonville before becoming a Florida State Trooper in 1980.

In 1985 he joined the Florida Memorial College Family as Chief of Security, a post he held with exemplary skill and competence.

On Friday January 15, 1988, the birthday of the late Dr. Martin Luther King, a heart attack claimed the life of Chief Jackson at the age of 39.

MR. JOHN WILLIE THOMAS, JR. CLASS OF 1991

A native of Detroit, Michigan, Mr. Thomas had only recently joined the College Family in the Fall semester of 1987 as a freshman and a promising Pre-Law student when he succumbed to a congenital heart condition in October. Despite the short length of time that we were blessed to have known him he had already made numerous friends and had begun to demonstrate his academic potential. All who knew him were touched by him and carry his memory forward. His spirit remains a permanent part of the Florida Memorial College Campus.

The Reverend Billy Baskin is pastor of New Way Fellowship Baptist Church in Miami, Florida and third vice-moderator of the Florida East Coast Baptist Association. He is an alumnus of Florida Memorial College, having received his Bachelor's degree in religion from this institution before pursuing his Master's and doctorate degrees.

Rev. Baskin is recognized throughout Miami and the state of Florida for his outstanding community and church leadership. He has been twice honored by FMC as a supportive alumnus and an outstanding citizen and humanitarian, receiving the College's highest service award, the Nathan W. Collier Meritorious Award and induction into the College's "Fountain of Excellence".

Right: Commencement Keynote Speaker, Mr. John Richard Munro (*left*), Chairman and CEO of Time, Inc., compares notes with Judge Wilkie D. Ferguson, Chairman of the FMC Board of Trustees.

Mr. Munro is a native of Syracuse, NY who grew up in West Palm Beach, FL, attended college at Colgate University and Teachers College, Columbia University, and served with the U.S. Marine Corps in Korea, where he was three times decorated with the Purple Heart.

His association with Time, Inc. began in 1957, when he joined *Time Magazine* as a staff member in the Circulation Department. He progressed steadily upwards, working on several of the company's publications, to become a vice president in 1971. In 1978 he joined the Board of Directors and in 1980 became president and CEO. In September, 1986 he was elected Chairman of the Board.

Mr. Munro also serves on the Boards of Directors of several colleges, the United Negro College Fund and such major corporations as IBM and Rand, in addition to being an active member and leader of numerous civic and philanthropic organizations. Mr. Munro was awarded the honorary degree of Doctor of Humane Letters of FMC.

Left: Chatting with President Robinson is Mr. Sidney Miller, Jr., publisher of *Black Radio Exclusive Magazine* and the first recipient of FMC's Presidential Award for Excellence, for being one of the most prominent figures in the vocal music industry to promote the significant contributions of Black artists, Black music and Black radio to the contemporary music business.

Mr. Miller's career took him from his native Pensacola to pre-med studies at Florida A & M and then to Capitol Records where he climbed the ladder of success to become the first African-American to oversee the national promotion of R & B, pop and country/western for any major label.

He later established his own business and devised the national marketing/promotion campaign for the hit motion picture and soundtrack, "Car Wash". His publishing venture, *Black Radio Exclusive*, is now entering its twelfth year.

Also honored were REV. BILLY BASKIN and MRS. REGINA JOLIVETTE FRAZIER, National President of The Links, Inc. and Director of Pharmacy at the University of Miami Hospital and Clinics.

COMMENCEMENT

Dr. Willie C. Robinson presides.

The Commencement Exercises saw one hundred thirty-four candidates earn Bachelors Degrees in the Divisions of Airway Sciences, Business and Economics, Education, Humanities, Natural Sciences and Mathematics, and Social Sciences. To the words of wisdom, words of guidance and words of prayer that send them on their way, we add a hearty

**CONGRATULATIONS,

CLIMBING HIGH . . .

*The newest face on Campus
is not that of a person but rather
a striking new symbol of Florida Memorial's
growth, achievement and readiness for the 21st Century,
the symbol of A New Beginning:*

THE WILLIAM LEHMAN AVIATION CENTER

**WILLIAM LEHMAN
AVIATION CENTER**

NEW PLACES

Seen from across the Lagoon, Construction nears completion on the Aviation Center. In the background, at right, is the control tower of Opa-Locka Airport, virtually adjacent to the Campus.

Another view of the Center under construction, looking north from the Airport. The three-story, 60,000-square-foot complex will provide the College with state-of-the-art teaching facilities for the Airway Science program, in addition to much needed space for faculty offices, an air traffic control tower, a 200-seat auditorium, a conference room and classrooms.

The new Center fits right in with the Campus atmosphere.

SIR DEWEY KNIGHT, JR.
SECRETARY, TRUSTEE

MR. R. RAY GOODE
CHAIRMAN, EXECUTIVE COMMITTEE

Student Government Association

At the beginning of the fall semester our eyes were set on our major goals, which were to set precedents in all our endeavours and to break down the barriers in our way in order to implement better social, educational and religious activities for the entire student body to enjoy. It was also our objective to improve the relationship between the student body and the Administration and to set the stage for others to follow.

In pursuing these goals and objectives we were able to put several of our dreams and ideas into reality. To mention only a few of the accomplishments of the Student Government Association, we began the year by co-sponsoring Freshman Orientation Week activities with the Student Affairs Division.

We coordinated Class Election procedures for the selection of Class Presidents, Vice Presidents and Queens. The first Class Queen Pageant Extravaganza enhanced the selection process by adding the dimensions of talent, poise and intellect, which increased student involvement and made elections more meaningful.

We implemented the monthly Caribbean Culture Night, which in September featured the renowned Caribbean band "VIOLA", with their excellent variety of Caribbean and American music. Also in the Caribbean vein, SGA went all out with the grand highlight of the year, adding "A Touch of Elegance in a Caribbean Setting" to the crowning of Miss Colleen Fitz-Charles as Miss Florida Memorial College 1987-88. All who attended this exotic event will agree that it was a Night To Remember.

We continued the weekly film showings with such titles as "Burglar" and "The Color Purple", and featuring some of our most prominent Black actors, like Whoopi Goldberg, Eddie Murphy and Cecily Tyson.

We also extended our activities off Campus, beginning with the Labor Day Beach Picnic at Crandon Park and including trips to Metro Zoo, the new Bayside shopping mall and to Six Flags Atlantis for a day of fun and water sports. Our thanks especially to Mrs. Ella Grant and Dean Rosemary Lewis for coordinating these excellent activities.

Our weekly Student Leadership Dinners in the Executive Dining Room also helped to upgrade the student leadership council by bringing together representatives of every organization on a regular basis.

We hope that all of these activities have helped to build a foundation for even greater accomplishments in the future and wish all the best to the incoming student government.

Sincerely,

Brian Phillip

LIONS BASKETBALL 1987-88

FMC versus St. Thomas University

Mario Fitz-Charles captures all the action.

Yes, Coach, Basketball can get pretty deep!

LIONS TRACK

AN OUTSTANDING PERFORMANCE

All-American hurdler shines in national meets

Wilbert Johnson, FMC's first All-American

The Miami News Reg. U.S. Patent Office

Florida Memorial College All-American sophomore Wilbert Johnson of Pompano Beach, Florida, finished second in the 400-meter intermediate hurdles with a time of 51.5 seconds in the National Association of Intercollegiate Athletics (NAIA) outdoor track and field championships held in Los Angeles, California, on May 29, 1988. He finished third in the same race a year ago.

"We were competing against some of the finest athletes in the country," said Florida Memorial track and field coach Bennie Tall, who also accompanied Johnson to the three-day meet in Los Angeles. "Although we are NAIA members, all of the schools we competed against are

Division I schools.

Johnson, who missed qualifying for the 1988 Olympics himself by a second, won first place in a number of other track and field events this year. These include relays held at Florida A & M University, Tuskegee University, the University of Miami and Edwards Waters College. He also holds the NAIA District 25 record in the 400-meter intermediate hurdles.

Before arriving at Florida Memorial in 1986, Johnson was All-District, All-Regional, All-County and All-State at Pompano Beach Ely High, finishing with the best time in the State of Florida in the high hurdles and 10th best in the nation.

THE FMC

The late Professor Roosevelt Williams led the Ambassador Chorale to international acclaim, proudly representing Florida Memorial College.

AMBASSADOR CHORALE

THE FMC CONCERT JAZZ BAND

The Band swings through a number under the meticulous direction of leader, mentor and elder Rev. Phillip Cooper.

Before voting on the new Miss FMC the students were entertained by the contestants in a special pre-election presentation. This program was a brief expression of *talent, poise and intellect* by the finalists.

A supporting cast and props enhance Shauntelle Douglas's presentation.

The theme, "A Touch of Elegance", was portrayed to its fullest in each contestant's elegant and exquisite performance, to which the crowd responded enthusiastically.

HONORS & AWARDS

DONATION DAY

NOVEMBER 24, 1987

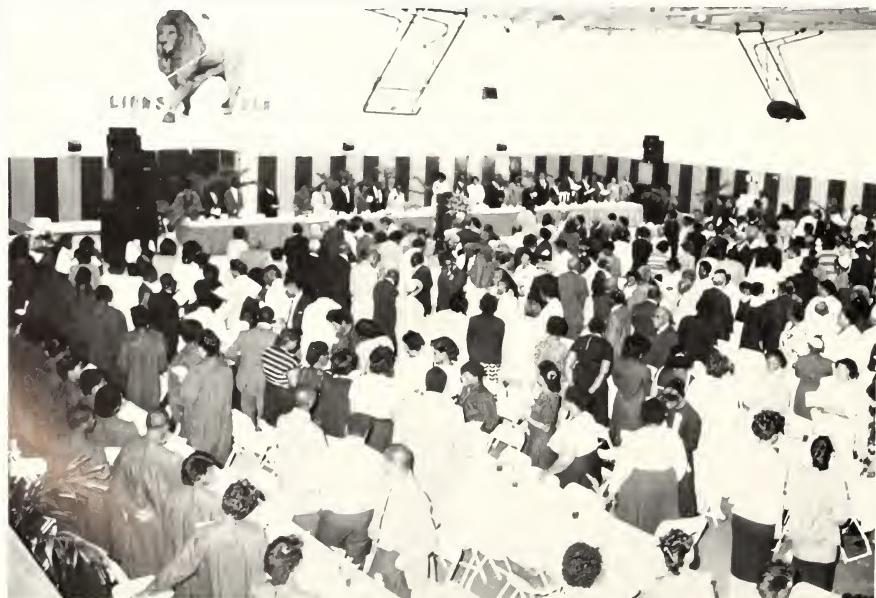

The Rev. J.B. Adams, at right, Pastor of St. John Baptist Church in Belle Glade, and Mrs. Adams, representing Dr. Edward Jones, president of the National Baptist Convention of America, present a \$50,000 check to Mrs. Barbara Edwards, Vice President for Development and President Willie C. Robinson, in fulfillment of that organization's commitment to quality higher education and excellence at FMC.

Mrs. Celestine F. Dixon addresses the audience.

Donation Day, first known as "Love Gift Day", is an annual tradition sponsored by the Women's Auxiliaries of the Progressive Missionary and Educational Convention of Florida
Mrs. Maudie M. Fowler, President
and
Florida General Baptist Convention
Mrs. Celestine F. Dixon, President

Mr. Neill Robinson, Special Assistant to Dade County Commissioner Barbara M. Carey, presents Commendations on her behalf to (at left) Rev. H.T. Rhim, President of the Progressive M & E Convention, the Donation Day Keynote Speaker, and to Dr. Henry Lyons, President of the Florida General Baptist Convention, who could not attend. The award is accepted (above) by Rev. James C. Wise, Third Vice President of the organization.

FOUNDERS' DAY

MARCH 22, 1988

Attorney Patrick Russell-McCloud, nationally known as an electrifying, dynamic and articulate orator, was once again the keynote speaker for one of Florida Memorial College's many special ceremonies. She spoke inspirationally at its 108th annual Founders' Day Ceremony on Tuesday March 22, 1988. Her speech, entitled "Mountain, Move Out of My Way", was encouraging and inspiring to administrators, faculty, alumni and visitors as well as to students. She spoke of how, for over a century, Florida Memorial College has moved many mountains out of its way through hard work and sincere dedication and thus how it can continue to be a "mountain mover" for many decades to come. The audience was so mesmerized by her presentation that she received a standing ovation. Her greatest applause, however, came as she said, "When you turn those stumbling blocks into stepping stones and those obstacles into opportunities, that's when you can really say, 'Mountain, move out of my way'".

THE REV. JESSE L. JACKSON VISITS FMC DURING THE CELEBRATION OF DR. MARTIN LUTHER KING'S BIRTHDAY.

Through the energetic efforts of George Fishburne, president of the Campus Chapter of the NAACP, Presidential Candidate Jesse Jackson included FMC in his whirlwind itinerary through Florida. Making himself right at home, he dispensed with the usual security limitations to allow a standing-room-only crowd to hear his remarks.

With characteristic eloquence, Rev. Jackson began by reminding us that the Christmas holiday we had just celebrated was not a story of Santa Claus and gift-giving but was rather, in modern terms, the story of a homeless couple, financially poor — he unemployed, she pregnant, and surrounded by rumors and gossip about the unborn child — unable to receive their most basic needs. With this story he illustrated the need for public policy to "love *all* the babies" and care for all of society. In return, we must maximize our involvement in public policy — a goal that was translated into immediate action with on-the-spot voter registration as he concluded his speech.

Dr. Robinson welcomes Rev. Jackson to the Campus

Miss Sophomore Adeleane Haymon, Miss Freshman Zefonic Dobynes and Miss FMC Colleen Fitz-Charles, among the Campus Queens who extended a special welcome.

Among local dignitaries on hand were community activist and former FMC Trustee Mrs. M. Athalia Range, past and current mayors of Opa-Locka Mrs Helen Miller and Dr. Robert Ingram, Mrs. Betty Ferguson, recent candidate for Dade County Commission and Dr. Preston Marshall, coordinator of annual Dr. MLK Birthday Celebration and parade.

George Fishburne receives a soulful handshake of appreciation from Rev. Jackson. At far right are State Senator Carrie Meek and Miami Commissioner Miller Dawkins.

Our Guest of Honor accepts a lasting memento of his visit to FMC as State Representative Jim Burke and Dr. C.T. Wright look on.

Rev. Jackson greets SGA President Brian Phillip.

DR. IVAN VAN SERTIMA

A truly auspicious occasion for Florida Memorial College was the visit to our Campus by internationally recognized historian, linguist, author and lecturer Prof. Ivan Van Serima, best known for his landmark book, *They Came Before Columbus*, which gives evidence of the African presence in ancient America, long before the European arrivals.

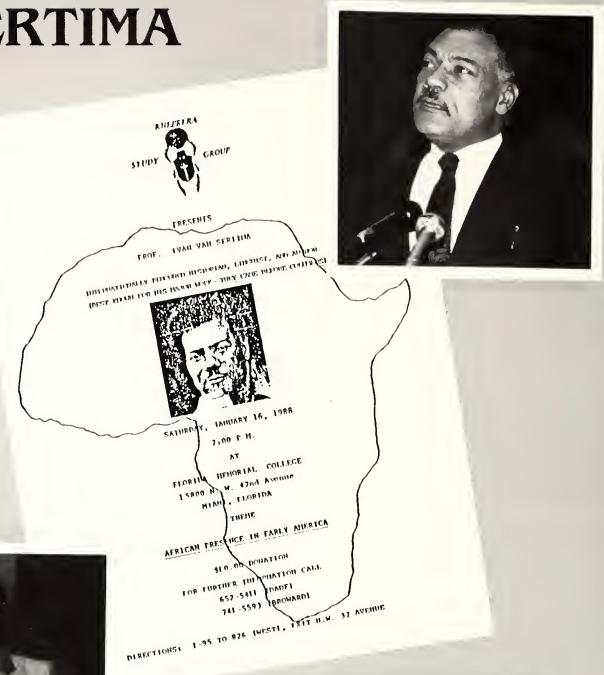

His visit was arranged by the Kheprera Study Group, a South Florida chapter of the Association for the Study of Classical African Civilizations (ASCAC).

Prof. Van Sertima delivered a spirited and thought-provoking message, complete with slides, followed by a lively question-and-answer period and book signing session.

the Speaker.

Right: Prof. Van Sertima emphasizes a point. Below: Audience reaction tells all.
Many from the community were glad to know that FMC is 'where the knowledge is', with speakers like Dr. Van Sertima.

DWIGHT LAUDERDALE

FMC was honored to welcome local television newscaster Dwight Lauderdale, co-anchor at ABC affiliate WPLG, Channel 10, who shared his experiences and provided an insider's view of the broadcast news industry.

In an informal setting Mr. Lauderdale was able to answer lots of questions.

FMC student captures top honors in national competition

Alicia Lemon

Florida Memorial College junior Alicia Lemon recalls how her drama teacher forced her to lose her shyness three years ago.

"We were at the USA Flea Market in Miami one weekend," said Lemon, 21. "She had me go around to people and recite a poem by Paul Lawrence Dunbar. It was meant to be read as if a slave was talking. After six hours of that, I couldn't help but open up."

Her demanding teacher, coach, advisor and mentor is Patricia Warren, associate professor of speech and drama, and director of the Florida Memorial College Players Guild.

Warren's demands and Lemon's hard work have paid off. Lemon captured first and second place honors at the National Association of Dramatic and Speech Arts Conference (NADSA), held in Los Angeles, California, on March 23-26. It was her second year attending the competition.

Lemon's first place winning presentation in oral interpretation of prose was entitled, "Cocaine." She also placed second in her expression of a dramatic monologue from the play "Breeders," by Randolph Edmonds.

Lemon, who hopes to go to law school after graduating, said drama has prepared her for law because it has enhanced her speaking abilities and she is no longer shy.

A graduate of the School of the Arts in Sarasota, Florida, Lemon is a criminal justice honor student. She is a member of the College Players Guild, and has performed leading roles in a number of College and community productions.

Roosevelt Williams scholarship fund established

A Roosevelt Williams Scholarship Fund has been established by Mrs. Dorothy K. Williams, widow of the late professor of music.

Roosevelt Williams, who died of cancer in November, 1987, was head of the music department and founder/director of the renowned Ambassador Chorale. He served at Florida Memorial for 12 years.

Shauntelle Douglas, a junior psychology major, from Orlando, Florida, has been awarded the first scholarship of \$1,000.

Contributions to the Roosevelt Williams Scholarship Fund can be sent to the Office of Development, Florida Memorial College, 15800 N.W. 42nd Avenue, Miami, FL 33054.

Greyhound Corporation awards scholarship

Florida Memorial College freshman Brent Evans has been awarded a Greyhound Corporation scholarship. Brent, a business administration major, is from Dominica. He has a grade point average of 4.0.

The Greyhound Corporation and its

subsidiary, The Dial Corporation, provided scholarships which totaled \$85,000 for the 1987-88 academic year.

Recipients of the scholarship award are selected by the institution, based on academic achievement, potential and need.

Fourteen scholars inducted into Honor Society

Fourteen Florida Memorial College students were inducted into the institutional chapter of the Alpha Kappa Mu Honor Society. They join an elite group of scholars selected each year as being among the College's most outstanding campus scholar leaders who have maintained a high academic record as they aspire to become the best in their respective field of study.

Outstanding students have been honored in the annual induction ceremony since the College chapter's inception in 1954.

Students named this year to the Alpha Kappa Mu Honor Society are: Beverly Brace, a junior accounting major; Rochelle Bryant, a senior sociology major; Marilyn Patterson, a sophomore chemistry major; and Lisa Perkins Pericles, a senior biology major, all of Miami, Florida.

Also named were: Alisa Batson, a sophomore criminal justice major of Port St. Joe, Florida; Sandra Bramble, a junior biology/pre-med major; Ann Thomas, a junior accounting major; and Hubert Watt, a junior chemistry/math major, all of the Virgin Islands; Liza Fitz-Charles, a junior music major; Simone Fitz-Charles, a junior criminal justice major; Diana Ocana, a senior chemistry major; and Levardo Pratt, a senior physics major, all of Nassau, Bahamas; and Anthony Ikaiddi, a junior chemistry/math major from Africa.

KUDOS

HONORS AND AWARDS

Accounting scholar receives AICPA scholarship

Florida Memorial College junior Beverly M. Brace has been awarded a scholarship by the American Institute of Certified Public Accountants (AICPA). She is one of 85 undergraduate and graduate minority students in accounting selected from throughout the United States to receive these awards.

Brace, a business administration and management major from Miami, has a

grade point average of 3.35.

The AICPA scholarships are designed to encourage minority students to enter the accounting profession by making accounting education accessible to as many qualified students as possible. Since the scholarship program began in 1970, the AICPA has awarded over \$3 million to some 3,500 students.

Chemistry honor student receives third distinction

Anthony Ikaiddi

Chemistry honor student Anthony A. Ikaiddi has been invited by the Chemistry Department of Florida State University to attend the 1988 Chemistry Summer Program in Undergraduate Research Participation, announced Dr. William Hopper, chairperson for the Division of Natural Sciences and Mathematics. The

12-week program begins May 12 and ends August 5.

The award includes a \$2,500 stipend, plus three hours of graded credit for honor research, tuition-free.

Anthony will work under the guidance of Dr. Emil Rizkalla, a senior postdoctoral associate and professor at Ain Shams University in Cairo, Egypt.

Anthony, a native of Oron, Nigeria, has twice before brought honor and distinction to himself and the Florida Memorial College. Last September, he was one of 30 outstanding science, mathematics and engineering students selected through a national competition to receive a Historically Black College and University Student Award for Excellence in Science and Technology. A year before that, he was the winner of the *Time Magazine National Essay Contest* for his essay entitled "Africa's Future! How Uncertain?"

Honors

Night

White House Honors outstanding young scientist

Anthony Ikaiddi, a junior chemistry major, was selected to receive a Historically Black College and University Student Award for Excellence in Science and Technology. One of only 30 outstanding science, mathematics and engineering students selected through a national competition, Ikaiddi was presented the award in September during the 1987 White House Initiative Science and Technology Symposium at the National Academy of Sciences in Washington, D.C.

The award program, sponsored by the Carnegie Corporation and administered by the White House Initiative Science and Technology Advisory Committee on Historically Black Colleges and Universities, is designed to acknowledge outstanding academic work in science, mathematics and engineering by students at historically black colleges and universities.

Ikaiddi, a native of Oron, Nigeria, has a 3.9 grade-point-average. Outside of his biochemistry and advanced physics classes, he tutors freshman students and assists Dr. William Hopper, chairman for

Anthony Ikaiddi

the division of natural sciences and mathematics at Florida Memorial.

Upon graduation from Florida Memorial, Ikaiddi plans to enter a graduate program and become a chemist in a research laboratory in the United States.

Florida Memorial College student Betty A. Negron is among 12 future teachers attending predominantly Black colleges who have been awarded the 1987-88 Metropolitan Life Foundation Future Teacher Scholarship.

These scholarships, established in 1985, are designed to attract the best and the brightest students to teaching careers in elementary or secondary education. It is

Twelve alumni inducted into "Fountain of Excellence"

Alumni who have distinguished themselves in various professional fields were inducted into the College's "Fountain of Excellence," during the 1988 homecoming celebration.

Standing left to right following the induction ceremony are: James George, '66, president of Modernized Trucking, Inc., Miami, FL; Clarence Davis '73, Special Assistant to the Mayor, Washington, DC; Rev. Dr. James C. Wise '55, pastor, Mt. Pleasant Baptist Church, Miami, FL; Daniel McNeil '76, procurement specialist, Pratt & Whitney Aircraft, West Palm Beach, FL; Queen S. Townsend, '63, director, Elementary Education, St. Lucie County School Board, Ft. Pierce, FL; Estelle John-

son, '64, teacher, Conway Elementary School, Orlando, FL; Rev. Jesse L. Fennell, '62, pastor, New Hope Baptist Church, St. Petersburg, FL; Paul Joseph, '54, assistant principal, Miami Southridge Adult Center, Miami, FL; Rev. Jeffrey Ingraham, '78, assistant pastor, Shiloh Baptist Church, Bridgeport, CT; and Randall A. Tiggert, '55, executive administrator, Division of Paramutuel Wagering, Miami, Florida.

Also inducted, but not pictured, were: Inez L. Almond, '76, writer and editor, Federal Aviation Administration, Southern Region, Atlanta, GA; and Purcell Dixon, '71, director, Metro-Dade Office of Black Affairs, Miami, Florida.

New Vice President for Student Affairs takes helm

John Charles Norman, Ph.D., former dean and director of the African-American Institute at Northeastern University (Boston, MA), has taken the helm as vice president for Student Affairs.

Dr. Normans affiliation with higher education dates back to 1967 when he became assistant director, and later director, of the Connecticut, Pre-collegiate Enrichment Program at the University of Connecticut (Storrs). While at the University of Connecticut, he also served as director of Minority Academic Programs, director of the Department of Special Academic and Enrichment Programs, and special assistant to the vice president for Academic Affairs. He was also a lecturer in English and Spanish, Theories of Counseling, and Survival Skills for the College-Bound Student at the University of Connecticut. At Northeastern University he taught graduate courses in the area of educational administration.

Norman completed his undergraduate studies in history and romance lan-

John Charles Norman

guages at Trinity College (CT). He earned his M.A. in Political Science and the Ph.D. in Professional Higher Education Administration from the University of Connecticut.

Florida Memorial College receives \$612,197 Title III grant

Florida Memorial College has received a Title III grant of \$612,197 from the U.S. Department of Education to develop and enhance educational programs and restore buildings on campus.

"In applying for the grant, we identified activities at the College which were in need of support and requested federal funds to develop or enhance programs that were strategic in the fulfillment of our mission," said vice president for development Barbara Edwards.

The primary strategy and implementation of funds received will include renovation of roofs of each of the seven original Florida Memorial College buildings, repair of the College gymnasium floor and bleachers, a strengthened developmental studies program and development of a telecommunications network interface. The funds represent the initial cycle of funding for a proposed five-year grant of well over \$3.5 million.

History of The Black Baptists of Florida" published

"History of the Black Baptists of Florida, 1850-1985," just published by the Florida Memorial College Press, is an engaging and inspiring account of the "Negro" movement and black Baptists in the State of Florida, and the unfolding of Florida Memorial College. The book chronicles the important events and personalities which have played a significant role in Florida Black Baptist history since the ordination of the first black preacher in the State, Elder James Page.

The book, which contains many photographs and illustrations, includes highlights of the Missionary, Primitive and

Free Will Baptists in the State, the story of the development of Florida Memorial College, the socio-economic milieu within which the denominations moved forward, the interracial organization relationships, and accounts of current movements and leading men and women involved. Co-authors are the late Rev. Dr. George P. McKinney, Sr., former president of Florida Memorial College (Live Oak), and his son, the Rev. Dr. Richard I. McKinney.

"History of the Black Baptists of Florida" is available at the Florida Memorial College campus bookstore. Cost is \$20.00, plus \$2.00 for processing mail orders.

Vice president for academic affairs and historian, C.T. Wright (left) and librarian and archivist Laban Conner, examine first copy of the "History of the Black Baptist of Florida."

Fishburne elected S.G.A. president

George Fishburne Jr., a senior English major from Miami, Florida, was recently elected president of The Student Government Association at Florida Memorial College for the 1988-89 school year. Fishburne's statement of purpose centers around "cultivating new leadership, forming a stronger rapport with public, private and corporate communities and most importantly, installation of student, faculty, staff and administrative accountability."

Other executive branch officers include vice president Zachary Bailey, chief-of-staff Lisa Buckley, executive secretary Tracy Stalling, elections commissioner April Nichols, director of communications Michelle Adderley and comptroller Debra Cooke. Shauntelle Douglas, a senior from Orlando, Florida, was elected Miss Florida Memorial College for the 1988-89 school year.

NIGHTS OUT

What would the year have been without some adventure, like a dorm evacuation — or two. On one occasion hurricane warnings forced the ladies from their lodgings to seek refuge in the Religious Center. Then there was that hot night when everything got hotter, as a fire in the central air conditioning unit shut it down and turned the dorm rooms into slow-bake ovens. Students camped out or chilled out as best they could. Just the kind of event to bring everyone just a little closer together.

AIM HIGH

Bite off more than you can chew,
Then chew it.

Plan more than you can do,
Then do it.

Point your arrow at a star,
Take your aim, and there you are.

Arrange more time than you can spare,
Then spare it.

Take on more than you can bear,
Then bear it.

Plan your castle in the air,
Then build a ship to take you there.
